

MATERIAL SAFETY DATA SHEET

Page: 1
Issue nr. 3

Fertiliser Limited
Crossways, Hurdletree Bank,
Whaplode St Catherines.
Spalding Lincs. PE12 6SA
UNITED KINGDOM

Date: 1/6/2021

Tel: +(44) 07795 233202

1. Identification of the product and the Company

Product name : Orgamino N7
Product code : Material No. OA07
Product type : Liquid amino acid vinasse derived from sugar beet extract.
Supplier : Fertilisers Ltd
Contact number for technical information : See above heading

2. Composition and Process

The condensed by-product of the manufacture of amino acids by fermentation from plant extracts

3. Hazards Identification

- Inhalation : None at ambient temperatures
- Skin contact : None under normal ambient conditions
- Eye contact : None under normal conditions
- Ingestion : Treat according to the symptoms presented, if any

4. First Aid Measures

- Skin: : May cause slight irritation, wash area with soap and water
- Eyes: : May cause irritation, flood eye with water

5. Fire-fighting Measures

Not applicable, not combustible when spilled or transported

6. Accidental Release Measures

Personal precautions : None under normal conditions.
Environmental precautions : Biodegradable, increases BOD and COD – see 12.
After spillage/leakage : Contain spills with sand and shovel into salvage container for disposal. Hose down small spillages or residue (slippery when wet) into sewers serviced by wastewater plant with plenty of water. Prevent direct discharge into watercourses or lakes due to high nutrient availability. If this does occur, inform Local Authorities at once.

7. Handling and Storage

Handling : Avoid contact with skin, eyes and clothing. Wear recommended PPE.
Storage : store in ventilated tanks (mild steel, stainless steel, polyethylene, PVC) at ambient temperatures.

8. Exposure controls/personal protection

Personal protection : None under normal conditions
- Respiratory protection : Not applicable
- Hand protection : Not required, butyl rubber gloves advised
- Eye protection : Safety glasses or goggles may be desirable when emptying containers or drums.

9. Physical and chemical properties

Physical state at 25°C : Viscous Liquid
Colour : Very dark brown
Odour : Strong Smell of Vegetable
pH value as is : About 5.8
Initial boiling point (°C) : >140°C
Flammability, Flash point (°C) : Not applicable
Explosion limits (lower) (kg/ m³) : Not applicable
Relative Density at 20 °C (kg/l) : About 1.30
Viscosity (cps) at 20°C : 400
Solubility in water (% weight) : Forms infinite aqueous solution
Vapour pressure (hPa) : Not applicable

Issue Date: 1st Jun 2021

Issued by: JH

Issue No: 3

10. Stability and reactivity

Hazardous decomposition products : Burning can produce CO₂ and water, ammonium compounds
Materials to avoid : Strong acids and alkalis, oxidising agents

11. Toxicological information

Acute toxicity : None, non toxic
Chronic toxicity : None

12. Ecological information

No significant environmental hazard or adverse effect from human or animal exposure resulting from accidental release of this material is anticipated. Its components are used in feed and there is no LD₅₀.
- COD (mgO₂/g ds) : About 350
- BOD (mgO₂/g ds) : About 300
- Ecotoxicity : Due to its medium BOD, accidental discharge of large quantities into rivers or lakes will cause temporary algal growth ('bloom') and dissolved oxygen reduction with possible serious or deleterious effects on fish.

13. Disposal considerations

Disposal : See Section 6

14. Transport information

No special requirements or precautions applicable

15. Regulatory information

Feed legislation : Complies with the Feeding Stuffs Regulations 2005

16. Other information

Symbol(s) : None
R and or S phrases : None

The contents and format of this MSDS are in accordance with EC Commission Directive 91/155/EC, as amended by Directive 93/112/EC.

DISCLAIMER OF LIABILITY

The information in this MSDS was obtained from sources which we believe to be reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this, and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product.

This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
